2007 PLAN SUMMARY

Please write a brief summary of the 2007 grant request. Please include information regarding your district's planned activities including committee meetings, training, attorney recognition, newspaper or magazine articles, marketing and promotion. The grant request should cover needs to be addressed, methods, target audience, anticipated outcomes, and how past difficulties will be addressed.

Over the past 18 months, Heartland Pro Bono Council has increasingly become a legal advice help line for the citizens of central Indiana, probably as a result of court and agency referrals, the internet, and word-of-mouth. The number of calls from people seeking legal assistance and/or legal advice has more than doubled in the past year. The Plan Administrator now spends 95% of her time on the telephone talking to people with legal problems. Some of those who are eligible for pro bono representation have cases that often need further research in order to assess whether the case has sufficient merit to be placed with a volunteer attorney. This workload consumes the time of Heartland's part-time Plan Administrator, and she no longer has the time to focus on the development of new programs, or to concentrate on recruitment efforts. Therefore, Heartland is seeking additional funding to hire a part-time attorney or paralegal to assist with intake in District 8. The demand for legal assistance is too great for one staff person who has other administrative duties as well.

Heartland will continue to work with some of the counties within the district to develop an organized intake and referral process. Heartland now does intake and referral for Marion, Hamilton and Johnson counties. Efforts will continue to assist the counties with training and recognition events, which are received with varying interest. Hamilton County's successful training and recruitment event and its upcoming recognition event will serve as a good model for the surrounding counties.

The *Cy Pres* Committee, formed to study and investigate ways in which to use the *cy pres* funds Heartland has received, will be recommending to Heartland's board to begin soliciting program-funding requests from outside agencies. Heartland will begin the funding review with the goal to utilize this *cy pres* money in a manner that will have the biggest impact on the legal needs of the indigent in our community.

Heartland will continue its Modest Means Programs and also its Advance Directives Project with Indiana Legal Services in which volunteer paralegals assist shut-ins with the execution of their documents. Finally, Heartland will continue with its free legal training as a recruitment tool to obtain and retain volunteer attorneys.

2005 REPORT OF VOLUNTEER ATTORNEY CASES IN DISTRICT 8

Please attach additional pages for each pro bono provider that receives IOLTA funding, whether directly or indirectly, in your district. See the sample additional pro bono provider page 3A. Please list each attorney only once in the volunteer attorney column but complete one line for each pro bono case for that attorney.

Definitions

Case: A legal matter referred to and accepted by a pro bono attorney volunteer. This includes mediation and GAL services.

Volunteer Attorney: An attorney who has rendered pro bono service to at least one low-income client during the year or accepted a pro bono referral from the identified program. This does not include attorneys who are on the list of pro bono volunteers but who have never taken a case. The case numbers do not include cases screened, only cases actually referred to a pro bono attorney. This also includes an attorney who has worked solely on a pending pro bono case that was neither opened nor closed during the reporting year.

Case Type: Please use the abbreviations listed in Indiana Supreme Court Administrative Rule 8(B)(3) or any other defined abbreviation.

Name of Pro Bono Provider (includes legal service provider, court, plan administrator, bar association, and other organizations **Heartland Pro Bono Council**)

IOLTA funding accounts for 99 % of total pro bono provider budget. Please state the percentage of volunteers and cases which are attributable to IOLTA funding 99%. If this percentage is substantially more than the percentage of IOLTA funding, please explain.

2005 REPORT

Please provide a short summary of how the provision of pro bono service is coordinated in your district, including the intake process, the relationships of pro bono providers in the district, how referrals are made, and how reporting is done.

Although Heartland strives to be the umbrella organization for all of the legal service providers and bar associations in District 8, each provider continues to do its own intake and referral. Within District 8, there are six different legal service providers: Indiana Legal Services, Indianapolis Legal Aid Society, Neighborhood Christian Legal Clinic, Kids Voice, Child Advocates, and the Protective Order Pro Bono Project. Heartland also conducts intake and referral of cases for Marion, Hamilton and Johnson counties. Often clients are referred to Heartland from the other providers after their cases were declined due to caseload constraints. Some of these organizations and bar associations maintain statistics involving their volunteer attorneys but others do not. Some of the bar associations change leadership each year and therefore, staffing and record keeping, or lack thereof, varies from year to year.

Heartland maintains a district-wide telephone intake and referral line. Clients are screened and eligible clients are directly referred to volunteer attorneys who have been previously recruited. Forms and related legal documents are sent to the attorney, and the client is advised in writing to contact the attorney to schedule an appointment. At the close of the case, the attorney is requested to report the disposition, the hours spent on the case, and to submit requests for reimbursement of expenses. This intake and referral procedure is used in Marion and Hamilton counties.

In Johnson County, Heartland's Plan Administrator conducts intake once a month in the Johnson County Courthouse, and a volunteer attorney conducts intake twice a month at a local library. The eligible cases are then directly referred to a volunteer attorney with reporting forms. The other counties conduct their own intake and referral and the record keeping varies from county to county and from year to year.

Please describe any special circumstances, including difficulties encountered, affecting your District's 2005 implementation of its plan.

As previously described, the workload of the Plan Administrator has been consumed by telephone callers seeking advice, legal assistance, and referral. Consequently, the Plan Administrator has been unable to focus her efforts on working with some of the outlying counties on their intake, recruitment and recognition of attorney volunteers.

A couple county bar associations have no interest in cooperative efforts in providing pro legal assistance, and still resist any "interference" by Heartland in their county efforts. As a result, there is little, if any, pro bono reporting.

The Plan Administrator works 30 hours a week with no benefits. This salary, FICA and Unemployment are processed through Indiana Legal Services (“ILS”) at no charge.

Additional salary for a second staff position is being proposed to handle intake on a part-time basis. Heartland hopes to staff this position with an attorney for 15 hours a week at an hourly rate not to exceed \$30 an hour.

Line (C)(1) Please describe the occupancy cost in terms of square footage, utilities or other amenities and indicate whether the occupancy cost is above or below the market*Heartland pays to ILS an annual fee for the use of a 120 square foot office, including all utilities, furniture, use of a computer, printer, and fax machine, a separate telephone line, office supplies (excluding stationery), photocopying, and postage. The annual fee was calculated on actual 2002 costs. So the office space, furniture and equipment use are actually a donation to Heartland from ILS. If an additional intake person is hired, there may be an increase in rent from ILS for use of additional office space.

Line (C) (4) Telephone Additional telephone line and DSL service (Will be negotiated with ILS) for fax machine and for use by second staff person.
